WEB DESCRIPTION

Amplifier silicone soft touch case with direct access to all the device's features. The special designed internal curve captures, channels and enhances the amplification of the sound coming out of your speaker. His multifunction design on the back acts as a stand and an earphone holder. Oblò can hold your iPhone in place vertically and horizontally and is perfect for hands-free mode, with an additional opening at the bottom for your charger. It's also fully washable, dirt and scratch resistant.
